2024 SUMMER AND FALL REGISTRATION

Once again it is time to register for summer camp and the 2024-2025 school year. Please note as stated in the registration letter that all families must re-register. The registration fee is \$75.00 per child. **The \$75.00 covers both summer and fall registration. Once you turn in your registration forms the registration fee will be added to your ProCare account.** The forms are due back no later than Friday, February 16th, to reserve a space. Camp calendars from the summer of 2023 are available to view on the parish website (www.mpbdenver.org). ELC tuition will remain the same for the summer. Students applying for the kindergarten room will be given priority if they will be attending MPB in the fall. If you have any questions, please give Dawn or me a call.

CONFERENCES

In-person conferences will be held on Friday, February 23rd from 7:00-4:00. Conference sign-ups will be sent out by your child's teacher on February 2nd.

LENDING LIBRARY

Did you know that the ELC has a lending library and a resource rack for parents? The lending library shelf is in the small library to the right when you enter the building. The resource rack is directly left of the large bulletin board in the lobby. Please feel free to check out either when you have a spare minute. If you would like to check out a book, please let Kellie or Dawn know which book you will be borrowing.

ELC FIVE MINUTE DROP OFF SPACES

The two spaces directly in front of the ELC are reserved for parents dropping off and picking up. Please do not park in the drop off spaces for more than five minutes. I realize that parking can get crazy however the two front spaces need to have a quick turnover.

UNIVERSITY PARK MOM'S CLUB

University Park Mom's Club (aka UPMC and Upark Moms) was founded over 13 years ago. We are a social, supportive, and educational group for families with young children living in the University Park neighborhood and surrounding area. Upark Mom's provides an excellent opportunity for mothers and their children to make friends, share interests, information and ideas, and get involved in their community. All families with young children and expectant families are welcome. <https://www.uparkmoms.org>

Sincerely,
Kellie
